

## **The Susanville Indian Rancheria has openings for:**

### **Forestry Technician Trainee -**

(3) Positions - \$10.00/hr - 160 Hours. **Closes 03/15/16**

Must be 18 – 22 years old (Must be 18 years old by June 7, 2016).

The Forestry and Tribal Youth Initiative Program is designed to provide tribal young adults with on-the-job training and experience in natural resource management and forest health protection. Over the course of the four-week summer program, the young adults will participate in forest management projects and training that promotes climate change awareness on tribal lands. Forestry Technician Trainees will be provided with the opportunity to attend Basic Wildland Firefighter Training, CPR, and First Aid certification. Specific project work includes a variety of forestry activities such as thinning and piling of small diameter conifers, constructing fence line, clearing trails, planting native species of shrubs and grasses, and other activities related to protecting and promoting forest health and enhancing wildlife habitat.

Fire training: March 21st through March 25, 2016.

Project Start Date: June 07, 2016

**For more information please contact the Human Resource Department at 745 Joaquin St. Susanville, CA 96130 or call 530-251-5161.**
